Notices

- Shares may be transferred only by the record owner in person or by its duly authorized agent or attorney upon completion of all forms obtained from the Company duly executed, delivery of the forms and such other documents as the Company may require, and payment in full for the Shares and any applicable transfer tax. The transfer of Shares is subject to all the limitations and restrictions contained in the Company's Charter and Bylaws, as amended, including compliance with applicable state and federal securities and tax laws.
- No transfer or assignment or any Shares shall be made if counsel for the Company is of the opinion that such transfer or assignment would be in violation of any state securities or "Blue Sky" laws (including investment suitability standards) applicable to the Company. If this would be the case as a result of this transfer, the Company will return this form and advise you of the reason that the transfer is void.
- I understand that the assignability and transferability of the Shares are subject to restrictions on Beneficial Ownership, Constructive Ownership and Transfer as described in the Notices above, and I have not acquired the Shares in violation of such restrictions.
- The Shares are subject to restrictions on Beneficial Ownership, Constructive Ownership and Transfer for the purpose of the Company's maintenance of its status as a Real Estate Investment Trust under the Internal Revenue Code of 1986, as amended (the "Code"). Any defined terms in this section have the meaning as defined in the Code subject to certain further restrictions and except as expressly provided in the Company's charter: (a) no Person may Beneficially Own or Constructively Own Shares of the Company's Common Stock in excess of 9.8% (in value or number of Shares) of the outstanding Shares of Common Stock of the Company; (b) no Person may Beneficially Own or Constructively Own Shares of the Company's Preferred Stock in excess of 9.8% of the value or the total outstanding Shares of Preferred Stock of the Company; (c) no Person may Beneficially Own or Constructively Own Equity Shares that would result in the Company being "closely held" under Section 856(h) of the Code or otherwise cause the Company to fail to qualify as a REIT; (d) other than as provided in the Company's charter, no Person may Transfer Equity Shares if such Transfer would result in the Equity Shares of the Company being owned by fewer than 100 persons; and (e) no Person shall Transfer Equity Shares if such Transfer would (i) cause the Company to own an interest in a tenant or the Operating Partnership's real property that is described in Section 856(d)(2)(B) of the Code and (ii) cause the Company to fail to satisfy any of the gross income requirements of Section 856(c) of the Code. Any Person who Beneficially owns or Constructively Owns or attempts to Beneficially Own or Constructively Own Equity Shares which causes or will cause a Person to Beneficially Own or Constructively Own Equity Shares in excess or in violation of the above limitations must immediately notify the Company. In addition, upon the occurrence of certain events, attempted Transfers in violation of the restrictions described above may be void. All capitalized terms in this paragraph have meanings defined in the Charter of the Company, as amended, as the same may be amended from time to time, a copy of which, including the restrictions on Transfer and ownership, will be furnished to each holder or prospective holder of Equity Shares of the Company on request and without charge.
- The interest being acquired by the Transferee and retained by the Transferor, if any, must be at least the minimum number of Common Stock required under "Investor Suitability Standards" in the Prospectus unless such transfer is made by gift, inheritance, intra-family transfer, family dissolution, operation of law, or to affiliates.
